

# EVENT NOTIFICATION

On **Saturday 8<sup>th</sup> February 2020**, the **Jayco Herald Sun Tour** professional cycling race will conduct a Race Finish for Stage 4 of the men's tour on **Summit Rd, Mt Buller**. The race will travel from Mansfield to Mt Buller via Tolmie.

The Tour will again host a prestigious field of riders including many international teams and riders and is expected to deliver a significant economic impact for the state, as well as major national and international media exposure.

To ensure the safety of the riders, spectators and the community, temporary changes to traffic conditions and vehicle access will be put into place. Mt Buller Resort Management will be working with GTR Events, Vic Roads, Victoria Police and other Emergency Services to ensure the control of cyclist, vehicle and pedestrian movement for this event is conducted in a safe manner.

Details of the temporary changes to traffic conditions and vehicle access can be seen below:

### Road Closures:

There will be no vehicle access during the below times:

Road	From	To	Time
Mt Buller Rd	Horsehill Carpark	Summit Rd	9:00am – 6:30pm
Summit Rd	Mt Buller Rd	Mt Buller Alpine Central Building	9:00am – 6:30pm

\*MAP OVERLEAF\*

Local residential and worker access on Mt Buller Rd will be permitted through the closure under the escort of a qualified traffic controller.

- **No Parking** will be permitted on these closed sections of road during these times. Please ensure cars are parked outside of the road closure. For access to local businesses, please use alternate parking options.

### Rolling Road Closure

Managed by Victoria Police, stopping traffic only as the race passes through, a Rolling Road Closure operates along the race route between the Start and Finish Road Closures (as detailed above). Delays between approximately 15-30 minutes are expected. A Rolling Road Closure operates by the lead Police cars or motorbikes stopping vehicles at a safe area on the side of the road as the race is approaching. These vehicles then must wait for the race to pass by, and until the rear Police car passes before being able to continue on their way.

The race is expected to get to the base of Mt Buller at Mirimbah at approximately 12:56pm. It is suggested to avoid the Mt Buller Rd around this time and the finish time (noted below under *Event Details*) to avoid any delays. More detailed race route information can be found on the event website: [www.heraldsuntour.com.au](http://www.heraldsuntour.com.au) including course maps and descriptions.
